RED OCT 2026

spring

RED OCTOBER 2026 ★ Over 30 sessions: Friday, Saturday & Sunday

SATURDAY • Follow your course: all sessions at TMU Students' Centre

Until all of us are free

- Indigenous sovereignty & socialism
- Russia 1917: "Festival of the oppressed"
- Queer liberation and the Black radical tradition
- A socialist history of disability

Imperialism & resistance

- Easter Rising 1916: James Connolly & the fight for national liberation
- Turtle Island, South Africa, Palestine: What is settler colonialism?
- "Fair Play for Cuba!" How global solidarity broke a blockade
- China: From revolution to state capitalism

Socialists at work

- "Smash the patriarchy!" Women, work & revolution
- Class struggle: The radical roots of education workers
- War on workers: The political economy of AI
- Trade unions & the fight for reproductive justice

Socialists & elections

- What was the Regina Manifesto?
- The NDP in power: A socialist history
- From Mamdani to Lewis: Is radical reformism possible?
- Socialist in Seattle: Kshama Sawant & the fight against Amazon

Life under capitalism

- Why does capitalism need war?
- Socialism & sports: A hidden history of resistance
- Leon Trotsky's Art & Revolution: How socialists understand art
- OPSEC: Security culture & socialist strategy

Memory of the class

- The radical Jewish tradition
- Lessons from the Spanish Civil War: 90 years later
- Soledad Brother: George Jackson & the fight for abolition
- "Fight or starve!" A radical history of tenant organizing

SUNDAY • Labour Solidarity School: all sessions at 720 Spadina, 2nd floor

Strategy & tactics

- What is the rank-and-file strategy?
- Why we need workers: Fighting fascism & the far right today

From theory to practice

- In their own words: A history of revolutionary journalism in the workplace
- Building anti-war resistance in your union

Plenaries

- "Easy, Visible, Everywhere!" An organizing approach to strike solidarity
- **CLOSING RALLY**

★ REGISTER NOW • FULL PROGRAM ONLINE: RedOctober.ca • GET TICKETS: bit.ly/redoct26
