

# RENT TOO HIGH?

**BLAME  
LANDLORDS  
NOT  
IMMIGRANTS**

- There are over 65,000 vacant apartments in Toronto that no one can afford to live in.
- New housing construction exceeded new population for over ten years – and rents still went up.
- Doug Ford keeps rolling back rent control so that corporate landlords can keep rents high.

*- Don't let them distract you with racism -*
